SAWTAY Fudge, Filling, Icing and Cracker Spread for the Kiddies

Cow-butter is various—so are the cheap confections. Children crave sweets. The craving is a cry for a necessity. Children need sweets. The sweets they need should be a food, not a drug.

SAUTAY

100% PURE BUTTER-OF-NUTS FOR FRYING — BAKING — SHORTENING

is a food. One pound of Sawtay equals, in energy producing value, 214 times the albumins such as the white of egg, and 214 times the carbohydrates of sugar, etc., and one pound of Sawtay is equal in nutritive value to nine pounds of rich milk. Cow-butter can be digested only 95.8%, while Sawtay can be digested to 98%.

For the sake of nutrition and digestion, food for children should be made of or prepared with Saw-tay. It has the endorsement of such eminent authorities as Prof. L. B. Allyn, Dr. Harvey M. Wiley, M. D., Dr. Edward D. Hodgskin, Pure Food Expert, Alfred W. McCann, Globe Pure Food Expert, and Chief Rabbi Solomon Jaffe."

SAWTAY Sweets for the Kiddies

CHOCOLATE FUDGE

2 cupfuls sugar, 1 cupful milk, 2 ounces chocolate, 1 table-spoon Sawtay, 1 teaspoon vanilla extract, pinch of salt. Put all the ingredients except the extract into saucepan and stir and boil until it forms a soft ball when tested in cold water. Remove from fire, add extract, allow to stand a minute, then beat until creamy. Pour into Sawtayed pan and mark into sources.

STUFFED DATES

One cup confectioner's sugar, one box of dates, small pinch salt, 16 cup Sawtay, 16 teaspoon vanilla, or 2 table-spoons chopped nut meats. Directions—Blend sugar with Sawtay until creamy. Add salt and flavoring. Remove pitts from dates, stuff them with the filling, roll in granulated sugar, and serve. Sawtay makes a far more delicious fondant or filling for candy than the best butter. The above filling covered with meited chocolate makes a better checolate cream than can be purchased—today.

FILLING for Crackers, Biscuits or as a Spread for Bread-t, cupful of Sawtay, a cupful powdered augar, white of one egg, a teaspoon venilla extract, cream the Sawtay and sugar, add white of egg unbeaten and the vanilla, beat together thoroughly, then aprend on cracker, ginger snaps, saltines, biscuits or bread.

This prescription for the removal of freekles was written by a prominent physician and is usually so successful in removing freekles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freekles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freekles vanishing entirely.

He sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.—Advt.
